

BLOUIN ARTINFO

MODERN ART NOTES

Art-focused Journalism by Tyler Green

In the second segment, artist **Robyn O'Neil** discusses her *These Final Hours Embrace At Last; This Is Our Ending, This Is Our Past* (2007, right), a 14-foot-wide graphite drawing. (A larger JPEG is in the jump, a much larger JPEG [is here.](#)) The Modern Art Museum of Fort Worth announced its acquisition of the piece this week. O'Neil's work is in the permanent collection of many museums, including the MFA Houston, the Dallas Museum of Art and the Whitney Museum of American Art. Last year Irish director Eoghan Kidney made an animated short film based on O'Neil's work. [Don't miss the trailer.](#)
